

# Ear Mitts®

## Bandless Ear Muffs

Season's Greetings and Happy Holidays! Wishing you all the warmth that Ear Mitts can bring!

### Winter has arrived in full force!

Residents reluctantly bid a fond good-bye to balmy air and unseasonably warm temperatures...

Thanks to blustery Arctic blasts from the North, temperatures plummeted, setting new record lows in some areas... Major snowstorms roared into the Plains and Midwest...hundreds of flights cancelled...the Kansas governor declared a disaster emergency for 27 counties...Freezing rain and sleet knocked out power in Missouri...

### Ear Mitts are ready to do battle with the cold and wind!

The ONE SIZE FITS ALL Bandless Ear Muffs are the only bandless ear warmers with Thinsulate® Insulation from 3M to keep the cold air out and the warm air in, and DuPont® Teflon® fabric protector to repel ice and snow.

### The Perfect Stocking Stuffer!

Ear Mitts® are the perfect stocking stuffer and the ideal gift for everyone on your list. For the person difficult to buy for, they offer an alternative to another tie or bottle of perfume. Ear Mitts® are a practical present with a sense of style.

#### In This Issue

- [Where to see us Jan-Feb 2007](#)
- [Introduction of new USA Sales Representatives](#)

#### New!

Ear Mitts® now makes 13 of the most popular colors and fabrics in a smaller size. These smaller bandless ear muffs are 10% smaller in circumference of ear opening and 10% smaller in size to maintain appropriate proportions. Made with superior quality fleece with "Anti Pill" treatment, Thinsulate Insulation by 3M and Teflon® fabric protector, these smaller bandless ear muffs are great for anyone with smaller features, petite or smaller frame.

**Wholesalers!**

Stock up NOW for those last minute shoppers (all colors in stock right now)  
AND for the months of cold weather that have just begun.
