## The Warm Up

November 2006

As the inventor of Ear Mitts®, I would like to say this has been another great year for our company!

We are introducing two new fashion colors, Brown Mink Faux Fur and Pink Fleece. We are also proud to launch a limited collection of Ear Mitts® embellished with SWAROVSKI crystals.

Many styles of Ear Mitts® now are available in our new smaller size for anyone with smaller ears.

The weather has definitely turned colder (much earlier this year in many places) and that means it's time to start wearing your Ear Mitts®. Remember, Ear Mitts® Bandless Ear Muffs are the **ONLY BANDLESS Ear Muffs** that are **ONE-SIZE-FITS-ALL** and are lined with warming 100 gram Thinsulate Insulation from 3M!

**"When your ears are warm, your entire body is warm"™ SM**

**Wholesalers!**

Ear Mitts® almost sell themselves! The special inside frame now has the capability to mold itself to your particular ear shape. The more you wear them, the more comfortable they become!

Brown Mink Faux Fur

Newest Addition to the Faux Fur Family!

The Brown Mink Faux Fur is piped with black; the perfect compliment for day or evening.

Ear Mitts® are small and easy to wear whether you're commuting, skiing, jogging, playing in the snow or arriving at an elegant evening soiree. Simply flip them open, slide one onto each ear, and press against your head to close. They're comfortable and convenient - Ear Mitts® can be toted effortlessly in any jacket pocket or purse when not worn.

Pink Fleece

Hot Seller!

The Pink Fleece is always a winner.

When planning your fashion and beauty winter survival kits, don't forget Ear Mitts®. These fashionable bandless ear muffs eliminate hat hair, static and keep ears toasty. Because we infuse these ear muffs with Dupont Teflon® they won't get dirty from spills or make-up.

We are the only  
Bandless Ear Muff  
to use  
Thinsulate™ Insulation

We are the only  
Bandless Ear Muff  
with

### Ear Mitts® in Smaller Size

For Smaller Ears!

Ear Mitts® now makes 13 of the most popular colors and fabrics in smaller size. These smaller bandless ear muffs are 10% smaller in circumference of ear opening and 10% smaller in size to maintain appropriate proportions. Made with superior quality "Anti-Pill" fleece, Thinsulate Insulation by 3M and Teflon® fabric protector, these smaller bandless ear muffs are great for anyone with smaller features, petite or smaller frame.

### Ear Mitts® embellished with SWAROVSKI Crystals

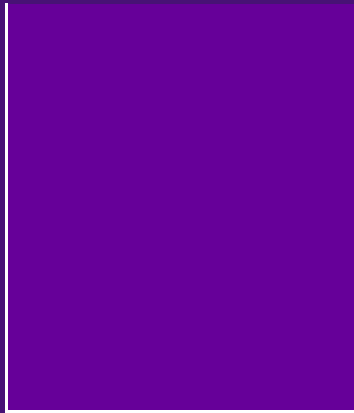

The Perfect Fashion Accessory!

A selection of Ear Mitts® are now available embellished with SWAROVSKI Crystals. SWAROVSKI is the luxury brand name for the range of precision-cut crystal glass products produced by companies owned by Swarovski AG of Feldmeilen, near Zürich, Switzerland. These crystals are imported and applied by hand in the United States.
